

## A word from the Rev...

The Kirk Session have met via Zoom and have decided to move our Sunday Morning worship service entirely online, or over the phonenumber, for the month of January. This decision was not taken lightly and we appreciate that it will cause disappointment to members who attend worship regularly every week but feel it is, on balance, the right decision for us to take in the current situation.

Sadly we are not in the place where we had hoped we would be a few short months ago. Covid-19 infections are on the rise and our hospital services are stretched to capacity with more pressures expected in coming weeks. We have been told to stay at home as much as possible over the month of January to reduce infection rates and protect the vulnerable.

We are fortunate to have the technology to enable us to continue to meet for worship online and over the phonenumber but it is no replacement for face to face, side by side, meeting together in the Lord's House for praise, worship and discipleship. We earnestly pray that those days will soon come again and until they do we put our trust in the Lord who is faithful and whose mercies are new every morning.

Please join us for worship at 11:30am on Sunday Morning...
