In 2025 we are going to read through the Old Testament in a year. This will involve slightly longer daily reading times as we have 3/4 chapters to read each day. But it will be worth it! Hope you will join us in the challenge. Printed copies of the plan are available to pick up in Church along with some highlighter pens to help us track our progress throughout the year.  
**SEE REVERSE FOR THIS WEEKS READING**

**PRAYER TOPIC for week beginning 2nd Feb** - Omagh Bomb Inquiry. Pray for those giving evidence at the Omagh Bomb Inquiry, and everyone in the wider Omagh community and beyond, who are reliving the events of that horrific day and its aftermath. Pray for wisdom and discernment for the inquiry team as they listen to evidence from witnesses, victims and survivors this month. 1 Peter 2 : 5 - Cast all your concerns on the Lord: for he cares for you.

**What makes the Salt & Light different?**

- Transforms believers to be a witness rather than to witness
- Focuses on guiding principles and tools, not a specific method
- Becomes an overflow of God's work through us
- Celebrates people taking even the smallest step
- Recognizes that cultivating and sowing is the hard work that leads to harvest
- Works in synergy with other tools and ministry programs
- All with permission, sensitivity, and respect!

Through experiential learning methods, such as role-play and personal application, participants will explore 5 main questions:

1. What is God's call for us?
2. What are the opportunities and barriers to fulfilling God's call?
3. What is my role?
4. What tools can help me cultivate, sow, and harvest?
5. Where do we go from here?

This event is organized by: Healthcare Christian Fellowship International & First Omagh Presbyterian Church
