Being present in prayer with God is the essence of our lives. It's what gives us strength in troubles, hope in loss, and power to live each day. Being present in prayer with the One who knows us completely gives us joy.

And yet, for many of us, prayer feels hard and we often struggle to be still, to be present.

How can we grow in prayer individually and together with others, in our groups, in our church and in our community?

At this event we will think biblically as we seek to address key areas such as when to pray, what to pray and how we can pray more effectively. We will look at creative ways to overcome our fears and insecurities as we grow a deeper desire to feel everything we do by being present in prayer.

**Anyone wishing to attend and travel together please meet at 9.30am in church car park.**
