No matter where we are in our journey of faith, we all need our spiritual roots to be healthy, growing deeper and stronger. Life has a way of testing what lies beneath the surface and we want to bear fruit that will last. Yet instead of tending our roots, we can easily complicate spiritual growth - searching for the latest idea, trend, or technique, hoping it will finally mature us. Join us this summer at Keswick at Portstewart as we dig deeper together.
