No matter where we are in our journey of faith, we all
need our spiritual roots to be healthy, growing deeper
and stronger. Life has a way of testing what lies beneath
the surface and we want to bear fruit that will last. Yet
instead of tending our roots, we can easily complicate
spiritual growth - searching for the latest idea, trend, or
technique, hoping it will finally mature us. Join us this
summer at Keswick at Portstewart as we dig deeper
together.
